Ref No. RS/25/11/07

For Grades PS To V **Hybrid Classes**

Dear Parents,

As per *Circular No. DE.23(28)/Sch.Br./2025/1004* issued by the **Directorate of Education, Government of NCT of Delhi** on **11th November 2025**, and in line with the advisory from the **Commission for Air Quality Management**, schools have been directed to conduct classes for students up to Grade V in the **Hybrid Mode** (both online and offline).

Accordingly, from **tomorrow**, classes for **Grades PS to V** will be held in **hybrid mode** until further notice.

While we are implementing this directive, we **strongly encourage students to attend school physically**, as they learn best in a classroom environment with their teachers and peers. **However, the final decision rests with the parents, and we completely understand and respect your choice.**

Please note:

- The **link for academic classes only** will be shared through the usual class communication channels.
- **Co-curricular and activity classes will not be conducted online.**
- If you choose online mode, kindly ensure your ward joins on time, sits properly, and keeps the **camera switched on** throughout the class.
- For **Classes PS to II**, it is **strongly advised that at least one adult** remains seated with the child during the online class so that learning happens smoothly and meaningfully.

We request your continued support and cooperation in ensuring that learning continues effectively for every student.

Warm regards,

Ruchika Sukhija
Principal
