Dear Mahavirians and Students,

As we approach the end of a very constructive year, we are delighted to announce the much-awaited Winter Vacations. **The Winter Vacations will be from the 1st of January till the 7th of January, 2024.** School will resume from Monday, the 8th of January, 2024, with our regular winter timings.

Dear Mahavirians, we strongly encourage you to utilize this time constructively by engaging in preparatory studies for the forthcoming examinations and cherishing valuable moments with your families.

The School will be conducting remedial classes for students of Grades 10th and 12th. The schedule for these classes will be communicated to parents shortly. **We strongly urge parents to ensure their child's attendance in these sessions as it will play a pivotal role in enhancing their performance in the upcoming board examinations.**

Your child's well-being and academic progress are of utmost importance to us. We encourage you to support and motivate them during this break to make the most of this time for both academic and personal growth.

We wish all our Mahavirians and their families a restful and joyous Winter Vacations. May this time be filled with warmth, happiness, and productive endeavours.
