For Grades IX and XI
Change in Schedule of Annual/Final Examinations

Every change brings with it an opportunity to grow, learn, and excel.

Dear Mahavirians and Parents,

This is to inform you that the School has revised the schedule of the Annual/Final Examinations for Grades IX and XI for the current academic session.

As you are aware, the CBSE has revised the schedule of the Board Assessments for Grades X and XII. Now the Board Practical Examinations will now commence from 1st January, and the Board Theory Examinations will begin from 14th February, 2026. In view of this significant change, it has become essential to **realign the school academic calendar** to ensure that these students receive ample and uninterrupted instructional time in Grades X and XII.

The revised schedule is as follows:

- Annual Examinations for Grades IX and XI will commence from 2nd February 2026.
- Classes for Grades X and XII for the session 2026-27 shall commence from 5th March 2026.

We are confident that this strategic adjustment will give our students an added edge in their Board Examinations and contribute positively to their overall performance and well-being.

The change is being notified in advance so that students can prepare for the Final Exams.

With best wishes for focused preparation and success of our Mahavirians.

Warm regards

Ruchika Sukhija
Principal
