RESULT
2020-2021

FROM THE PRINCIPAL'S DESK

“If you believe in yourself and have dedication and pride – and never quit, you will be a winner. The price of victory is high but so are the rewards”

Dear Students and Parents,

As we hand over this specially curated newsletter to you, it gives us an unmistakable sense of pride and accomplishment. Seeing our students getting accolades and doing so well academically strengthens Team MSMS to the core.

It is because of the hard work of the students, their focus, their deeply ingrained values along with the diligence of teachers, their commitment to their students and the consistent and unconditional support of parents that our students have been able to achieve such marvellous and outstanding results, even in the testing pandemic times.

More than ever, these students have displayed that it takes courage, resilience, patience and fighting against all odds to emerge as a winner.

Once again, we congratulate our students for creating yet another benchmark and leading ahead.

We wish you best of luck for your future endeavours.

We are sure that wherever you will go, you will Mahavirian legacy intact and keep the flag of MSMS flying high.

-Ms.Richie Jindal

Don't limit yourself. Many people limit themselves to what they think they can do. You can go as far as your mind lets you. What you believe, remember, you can achieve.
