SOCIO - REFLECTIONS

FROM THE PRINCIPAL'S DESK...

Dear Readers

It is my pleasure to welcome you to our latest newsletter curated by Social Science Department " Socio Reflections". At MSMS, we believe that education of Social Studies is essential for preparing our students to be active and engaged citizens of the world. Our goal is to foster a deep understanding of the complexities of our world and to empower our students to think critically, communicate effectively, and act responsibly.

One of the hallmarks of our School is our commitment to experiential learning. We believe that students learn best when they are actively engaged in the learning process and when they have the opportunity to apply their knowledge to real-world situations. To this end, we offer a wide range of experiential learning opportunities, such as field trips, projects etc. These activities not only help our students to develop a deeper understanding of the subject matter but also to develop important skills such as teamwork, problem-solving, and communication.

Another area of strength for our School is our faculty. We have a team of highly qualified and dedicated teachers who are passionate about social studies education. Our faculty members have a wealth of experience and expertise, and they are committed to providing a high-quality education that meets the diverse learning needs of our students. We are also proud of our students, who consistently demonstrate a strong commitment to academic excellence and civic engagement.

Finally, we are proud of our School's commitment to diversity, equity, and inclusion. We are committed to creating a welcoming and inclusive learning environment where all students can thrive.

In conclusion, the Social Studies Department endeavours to provide high-quality education that prepares our students to be informed and engaged citizens of the world. We are proud of our faculty headed by Mrs. Bhavna Aggarwal, HoD- Social Studies Department, our students, and our community, and we look forward to continuing to work together to create a brighter future for all.

Happy Reading!

Ruchika Sukhija
Principal

MESSAGE FROM TEAM LEADER

"Man, the molecule of society, is the subject of social science" Henry Charles Carey

The newsletter is a medium to express and share our experience and achievements with our respected stakeholders. We are indeed fortunate to have students whose inquisitive eyes are always asking for more details and inspire us to explore new dimensions every year.

In tune with the New Education Policy 2022 which aims to make learning holistic, integrated, enjoyable and engaging, MSMS is constantly striving to make learning a lifetime experience. With the aim of transforming today's learners into tomorrow's global citizens. Our pedagogy aims to broaden the understanding beyond textual learning. To sensitise students towards environment, health and instilling values of compassion and sacrifice besides respecting their innate qualities. We at MSMS provide undivided attention to each one of our students so they can express freely.

Under the exemplary leadership of our Principal Ms Ruchika Sukhija department organised various events so that the students learn the much needed social skills like at primary level CLASS FUNCTIONS on contemporary themes, event "Flavour of India" at middle level where we ensured hundred percent participation to provide platform to every student to explore their latent qualities. Orientation programs and career counselling sessions etc. were organised for senior students so that they are well versed with the latest career options. The school also organised trips and excursions to make learning effortless.

The beauty of these events is that all the stake holders (students, teachers, and parents) have an opportunity to interact and discuss their ideas to constantly strive to make learning a joyful experience. We believe that to be an effective teacher one must remain a learner all through. Through in service training our faculty is constantly updating with the latest and appraising the students so that they connect with the fact that social science is a very lively & vibrant subject.

On behalf of all faculty members of social science department I wish to express my gratitude to our magnanimous members of management for providing an environment that stimulates growth. I express my gratitude to our principal Ms Ruchika Sukhija who has been the driving force behind all our achievements. Her vision and perfection with which she plans and guides us is unmatchedable.

We look forward to move to the next session with more commitment to further strengthen our mission to make every Mahavirian a joyful soul.

First Aid Saves Lives!

Teaching first aid to children provides them with the essential skills that can be life saving. Simple accidents like tripping or slipping and falling or twisting an ankle, nose bleeding, scratches, cuts might seem a trivial part of the school life, but they are capable of causing serious injuries.

Realizing this, a two days long activity has been conducted in class 5A to make students aware of the importance of first aid service and how it can be provided.

HAPPY EARTH DAY

HYGIENE IS TWO- THIRDS OF HEALTH.

MSMS organized a fancy dress event on 'Personal Hygiene' for the students of class II on 10.10.22.

The students looked very beautiful dressed in different characters like , Tooth Brush, Mosquito repellent, nail cutter, hand wash, tongue cleaner, handkerchief and many more giving social message Health and Hygiene. The children put in a lot of effort to do their best. It was a spectacular event which helped the students to overcome their stage fear, bring out their inner talent, give them a platform to build their self-confidence & explore their inner strength.

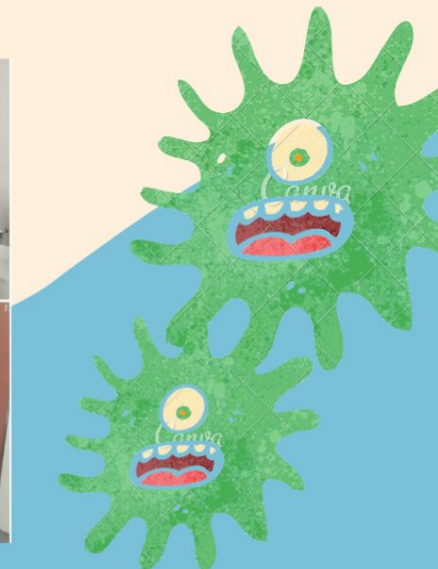

WASHING HANDS STOPS THE SPREAD OF GERMS

Global Handwashing Day, celebrated on 15 October every year, is an international handwashing promotion campaign to motivate and mobilize people around the world to improve their handwashing habits. The global campaign is dedicated to raise awareness and understanding about the vital importance of handwashing with soap as an easy, effective, and affordable way to prevent the spread of illness and save lives. This year's theme — Unite for Universal Hand Hygiene highlights the simplicity and value of clean hands.

To inculcate this habit into our little Mahavirians, class 3 celebrated World Handwashing Day, to understand the importance of washing their hands regularly.

a CLEAN PLACE IS a SAFE PLACE

STUDENTS ENTHUSIASTICALLY TOOK PART IN THE COMPETITION AND PRESENTED THEMSELVES USING CREATIVE PROPS. THEY CREATED AWARENESS REGARDING THINGS THAT WE CAN USE TO KEEP OUR SURROUNDINGS CLEAN. THEY ALSO GAVE INFORMATION ABOUT VARIOUS DISEASES THAT CAN OCCUR DUE TO THE LACK OF CLEANLINESS.

Students who eat full, balanced meals everyday are more likely to perform better academically and behaviorally.

MY HEALTHY ROUTINE

The kids HEALTHY EATING PLATE provides a blueprint to help us make the best eating choice. It is a visual guide to help educate and encourage children to eat well and keep moving. Children were made aware of different foods groups. Children were encouraged to help the parents in daily household chores and to eat atleast one meal of the day with the family.

Welcome To Sikkim

Art Integrated Learning (AIL) is a teaching-learning model which is based on learning 'through the arts' and 'with the arts': it is a process where art becomes the medium of teaching-learning, a key to understanding concepts within any subject of the curriculum.

Under the project- Ek Bharat Shreshtha Bharat, students of class II creatively explore and present the culture of Sikkim through various art forms.

A community needs many people to help it to function well and make the world a better place to live. Educating students about the community helpers and the kind of roles they play in our daily lives, is highly important. Indeed, they remind us of how inter-connected we all are when we live in a community.

With an aim of stimulating the students' imagination and enhancing their social development skills, a role play activity was organized in class V

Earth

Indian Landforms

Landforms are features on the Earth's surface that make up the terrain, such as mountains, valleys, plains or plateau.

Students of class VI gave Creative and Informative Presentations based on the Landforms of India with the help of illustrations and props. This Class Activity not only helped them in understanding, retaining and explaining the concepts but also taught them the skill of collaboration and cooperation. Ensuring 100% participation, this activity proved to be enriching and engaging.

GYANOTSAV

Congratulations

Our young Mahavirian Purvi Jain student of class XI-D has bought laurels to our school by securing 3rd position in GYANOSTAV in poster making competition among thousands of students pan India.

The Gyanotsav was organized by the Education Culture Upliftment Trust in New Delhi in collaboration with NCERT,IGNOU,AICTE,NIOS and Association of Indian universities were organized related to the implementation of India's self-reliant education and National Education Policy - 2020. She was honoured with an award, a certificate and cash prize worth 11,000/- rupees.

HOORAY FOR NEW HEIGHTS!

"Until you spread your wings you will have no idea how far you can fly."~ Napoleon Bonaparte

Youth Ideathon is a multistage competition that aims to encourage the spirit of innovation and harness the enormous potential of school students from classes 6th to 12th to think big and dream of futuristic ideas.

Around 30,000+ teams ,94,000+ students, and 7000+ schools participated in the national level competition.

The team of MSMS - Aanya Jain, Pratishtha Negi, and Nitya Jain, got selected among top 100 teams pan India and among the top 10 teams by Council on Energy, Environment and Water (CEEW) for the six months fellowship.

The young and budding entrepreneurs were invited to The Indian Institute of Technology, Delhi on 20th October 2022 where they were interviewed by the experts.

The event was followed by the felicitation ceremony with the gracious presence of distinguished educationists - Dr. Biswajit Saha, Director CBSE; Prof. Ranjan Banerjee, IITD Director etc.

National Unity Day

Rashtriya Ekta Divas is celebrated in India on 31 October.

It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel who had a major role in the political integration of India.

Sardar Patel, the Iron Man of India, was instrumental in bringing India together despite all differences.

A pledge to mark the National Unity Day was sworn in by students and faculty members with the aim to foster, reinforce, preserve and strengthen unity, integrity and security of the nation. In order to pay homage to the great patriot and to acquaint the young Mahavirians and teachers with his ideology and teachings.

Hackathon Competition

The event was organized with the objective to vitalize student entrepreneurs and support the growth of jobs. In order to strive for the business competition prizes, there must be a serious intent to launch the proposed business.

All the team members presented their business idea using a colourful prototype. Commerce students they should committed to foster and support the entrepreneurial preneurial essence and skills among them and continue doing research work for the same.

PHOTO EXHIBITION

The students of classes VIII-XII were given an opportunity on 29/11/22 to visit a Swiss-Indian photo exhibition, "In search of an oasis" displayed at the UN House in New Delhi. It was in collaboration with the Embassy of Switzerland in India and Bhutan

The students visited the exhibition and took part in a brief interaction with a representative from UN Environment Programme on the exhibition, the climate COP and its outcomes and the LiFE campaign.

An activity for students reflection was conducted called booster and busters in which the students were given chits with situations written in it. They were asked to discuss and classify it under booster or buster of Climate Change.

VIGILANCE WEEK

The Vigilance Week is observed every year all over India to achieve a corruption-free society and promote integrity in public life. The theme of vigilance awareness 2022 is Corruption free India for a Developed Nation. Fostering the same spirit MSMS took the initiative to bring an end to corruption by raising voices against corruption and bringing awareness among the staff members and students to understand the cause of corruption and stand against it.

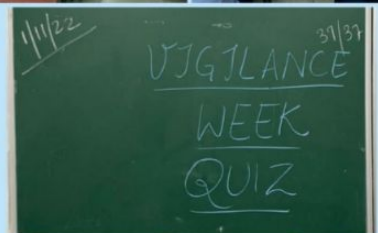

Integrity Pledge- was taken by teachers staff members and students.

Quiz activity-was organised for students relevant to the theme of dissemination of anti-corruption messages and the vision of the vigilant India

Integrity pledge

Class 12 taking Pledge

VIJAY DIWAS

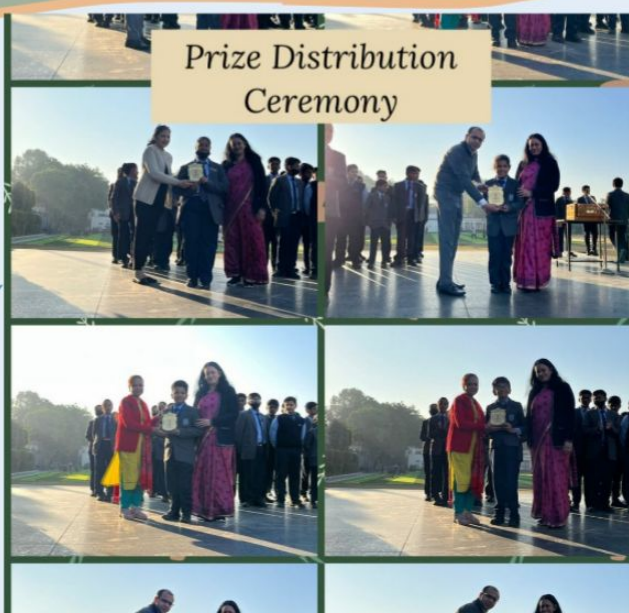

In commemoration of the historic military victory over Pakistan in the 1971 War, the students of class IX-C presented their assembly on the topic –Vijay Diwas

The assembly commenced with the National Song Vande Mataram and the prayer navkar mantra. Followed by an inspirational thought of the day and an enriching word of the day. Students tried to express the importance of this day by paying homage to the martyrs through their speeches and poems.

A Deshbhakti Song was presented by the students in honour of the soldiers and to evoke the feeling of Nationalism in each student. It was a heartfelt performance by them.

On Occasion of Vijay Diwas the students who performed exceptionally well in Intra - Class Competition were felicitated with trophies by Principal Ma'am and the members of school safety committee.

TRAINING SESSION ON HAPPINESS, DESHBHAKTI AND ENTREPRENEURSHIP MINDSET CURRICULA

Day and Date: Saturday, 2 April

The session was graced by a galaxy of educationists and dignitaries from DOE and Action Committee of the Unaided Recognised Private Schools.

Special Guest : Sh. S.L. Jain, Senior Vice President of Action Committee of unaided recognised Private School accentuated the following:

- 1) Happiness Curriculum can implemented in the classrooms by radiating - positivity, being kind, sympathetic and developing an attitude of service for all.
- 2) Deshbhakti Curriculum can be inculcated by showing love for our country, and the beautiful landforms such as rivers, mountains etc.
- 3) Entrepreneurship Mindset Curriculum can be implemented by motivating the students to be job givers and not job seekers.

Educational Tour to National Museum

Visit to
*National
museum*

Students of Class XI Humanities group visited the National Museum, Janpath, New Delhi on Friday, 26th August 2022

Objectives of visiting Museum -

For making history alive through interaction with primary sources and artifacts.

To connect the present with the past, and help students to develop historical empathy.

It was a guided tour in which students visited many galleries of Museum

It was an enjoyable learning experience for students.

Students got an opportunity to visualize their knowledge they gained from their books and understand the importance Of artifact, exhibits to reconstruct the past and to explore historical civilizations and their culture.

SOCIAL SCIENCE, SOF EXAM 2022-23

Date & Day : 24.01.2023, Wednesday

Participating classes: VI to X

Organized by – Science Olympiad Foundation, Delhi

🌻 Social Science Department successfully conducted the SOF Olympiad across the classes VI to X with a total of 11 participants.

🌻 The Olympiad enhances the knowledge of student for global history, geography, political science and economics. They got the exposure on the international level. The exam was conducted to deliver a platform where an aspirant can judge his/her level of analytical, problem-solving, and reasoning skills.

INKLINK GK OLYMPIAD

Date -23.01.23

Day-Monday

Participating Classes- I to VIII

Knowledge has a beginning, but no end.

General knowledge helps students to grow both on personal as well as academic level. It makes aware of what is happening across the world, and develops the student's social, sensitive, reasoning, and analytical skills.

MSMS successfully conducted G.K Olympiad.

The exam gives an exposure to students to attempt objective type, application based questions, numerical based and figure based questions that are asked in several competitive exams. They got exposure to problem solving skills and managing time through this exam.

Keep learning as knowledge is the key to Success.

Net Zet Heroes International Panel Discussion on Climate Change

In our pursuit to provide International exposure to our students participated in an International panel discussion on Climate Change dated 16 July,2022.

It was an International endeavour across Asia Pacific Region for visualizing the importance of younger generation role in asserting Climate change. The program is titled " Net Zero Heroes "

Schools from Delhi,Gurugram and Sydney were invited to present their well researched views on the stated theme.

Princy Jain, Komal Sethi , Diksha Bhasin and Ananya Vadehra of Class XII represented our school and their views on Climate change were widely appreciated.

The discussion focused on the issue of climate change and its adverse effects on the environment.

Principal's Unconference

Date - 19th January 2023

Venue - IIT, Delhi

Attendees - Mrs Bhavna Aggarwal and Ms. Yashika Jain

Both, Youth Impact Lab, Babson College, Massachusetts and ThinkStartup (entrepreneurship startup) are leaders in entrepreneurship education and organized Principal's UnConference at IIT Delhi on the theme 'CULTIVATING ENTREPRENEURIAL YOUTH CHANGE MAKERS IN SCHOOLS'.

The UnConference deliberated on 5 related themes with the participants comprising School Principals and Educationists. These were-

- 💡 **21st Century Skills - Does NEP 2020 address it adequately for Youth**
- 💡 **Why entrepreneurialism matters in 21st Century**
- 💡 **Uncovering how entrepreneurial skill strengthens socio - emotional skills**
- 💡 **Pedagogical Approaches to build entrepreneurial leaders**
- 💡 **Preparing Schools for innovation and entrepreneurship**

FLAVOURS OF INDIA

Diversity is a strength. It has arisen in this culture out of richness, not out of divide

The event commenced with the fantabulous musical performances by our young Mahavirians where they presented the varied essence of multiple states of India and their diverse culture.

The event was followed by enthralling ramp walk. Students danced their heart out on traditional songs from vivid states. Additionally, students danced on the beats of patriotism.

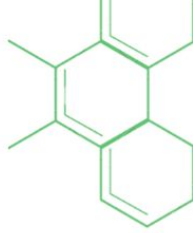

Furthermore, the ceremony proceeded with ribbon cutting by our august guest of honour Shri Prashant Jain sir and Principal ma'am. It marked the grand opening of the exhibition showcased by our talented young Mahavirians of class VI-VIII.

They displayed the vibrancy of different states of India via clothes, foods, monuments, artifacts.

Parents expressed their warm gratitude in words by pinning them down on the feedback board. The event culminated with joyous memories for all.

PEAK PERFORMANCE MASTERY WORKSHOP

Date- 24/01/2023

Day- Tuesday

Venue- Conference hall

Participants- Students of XII-A & B

Resource person- Dr Vikas Vijay

Dr Vikas Vijay is an author, motivational speaker, teacher and a student success coach. He is also the CEO and Founder of full marks.

The workshop began with welcome address by Mrs. Bhavna Aggarwal, followed by felicitation of the resource person with a planter by Principal ma'am. Thereafter Principal ma'am Mrs Ruchika Sukhija, addressed the students and asked them to make best out of it.

The workshop proceeded with the awakening thought, "Where focus goes energy flows."

His interaction / presentation involved influencing mindset of students, creating positivity and will power thereafter navigating his session towards strategies to prepare for accountancy CBSE Board exam.

He shared a well researched expected pattern of CBSE questions along with the methodology/procedure to attempt the paper.

The workshop was highly engrossing and interacting catering the common concerns of the students.
