

HOLIDAYS HOME WORK FOR SUMMER VACATION 2024

CLASS XI - A

*“Two roads diverged in a wood, and I—
I took the one less travelled by,
And that has made all the difference.”*

Dear Mahavirians,

Holidays are a time for rejuvenation, a chance to recharge our minds and hearts. At the same time, we must also nourish our souls with purposeful activities. Here’s a gentle reminder on how to make the most of this break:

Read Extensively: *Readers are leaders. Unplug from screens, and explore the world of books. Make a habit of reading every day.*

Catch Up with Passions and Hobbies: *Remember that guitar gathering dust in the corner? Or the canvas waiting for your brush strokes? Now is the time to rekindle those flames. Dive into your hobbies—whether it’s painting, dancing, coding, or cooking. Let your passions ignite your days.*

Quality Family Time: *Families are the heartbeats of our lives. Share stories, cook together, play board games, and laugh until your bellies ache. These moments are the threads that weave the fabric of cherished memories.*

Academics and Studies: *Yes, even during holidays, let’s keep the academic flame alive. Regular study sessions need not be burdensome. A chapter a day, a math puzzle, or a historical documentary—these small steps maintain the rhythm of learning.*

Homework with a Twist: *Homework doesn’t have to be done in a mundane manner. Be innovative! Create a science project that dazzles, write a poem that dances with metaphors, or solve math problems with flair. Remember, it’s not just about finishing; it’s about understanding and enjoying the process.*

So, dear students, embrace this break with open arms. Explore both the well-trodden paths and the hidden trails. Let curiosity be your compass, and creativity your guide.

Wishing you a joyful and enriching summer break!

*Ruchika Sukhija
Principal*

ACCOUNTANCY

A. Project as per CBSE:

Select a product or service of your choice. Prepare a case study to start the business of selected product/service. Draft transactions relating to the day to day activities in chronological order of hypothetical nature. The transactions should be realistic and close to reality. Record the framed transactions in the journal.

The project should contain:

1. Acknowledgement
2. Index
3. Bibliography

B. Practice worksheet:

Complete the table of transactions provided.

C. Revise all the topics covered in the class so far.

BUSINESS STUDIES

Q1. Project work as per CBSE guidelines. (Any one from the following topics)

1. Field work -Visit to a State emporium

Following essentials are required to be fulfilled for its preparation and submission.
