Please note:

1. A number of activities are carried out in all the skill areas i.e. listening, speaking, reading, and writing throughout the year.

Take the feed back from your child on daily basis and /or meet the teacher to know what kind of work is done in the class.

2. Reading aloud with proper pauses and reciting poems with proper intonation; reading short passages for comprehension and reading stories at one's own level are part and parcel of classroom teaching and continuous assessment.
3. Parents are requested to encourage their child to read story books. Writing neatly and legibly is emphasized regularly. Parents are requested to supervise the work being done at home. Learning of spellings and new words are to be re-inforced at home also.
4. Grammar is done through various activities and games. Focus in primary classes is on correct usage of grammatical items being taught, not on the rules.
