## **WORDS OF WISDOM**

### **FROM DIRECTOR'S**

### **DESK**

It gives me immense pleasure in placing 5th NEWSLETTER of Mahavir Senior Model School in your hands.

This is the last NEWSLETTER for the session 2020-21.

Presently all our staff is engaged in the most important work of doing the end of term work for the current session.

The examination work is going on along with a lot of developmental work with regard to infrastructure which is in progress and will be soon before you.

All this is highly exciting and stimulating as well as taxing and at the same time enjoyable.

The preparations for the board examinations is going on with full steam

and the team of senior teachers is engaged with a renewed commitment and dedication in this work.

The editorial team under the leadership of Principal Mrs Ruchika Sukhija has been working tirelessly in motivating the students to do creative writing and put everything together so that a beautiful piece of literature is in your hands.

The session 2021-22 will start shortly and we are fully geared to meet up with all the requirements and challenges and sure that we shall come up with flying colours.

The National Education Policy 2020 is also expected to be implemented and we are fully ready for the same because the New Education Policy envisages a number of new initiatives which will be welcomed by one and all.

I wish all the best to all our parents and teachers and best of success for our students in the coming years.

## **FROM THE** **PRINCIPAL'S DESK**

***"The wings of transformation are born of patience and struggle. "***

This last E-Newsletter of the session 2020 - 21 is a carrier of many such success stories borne out of patience, perseverance and hardwork. The bygone year hasn't been easy but together, we have been able to provide wings to our kids.

The creative academic and co academic activities taken up during the year, the zealous celebrations and praiseworthy performance of our students in intra and inter school competitions is a testimony

of focused endeavours of our Mahavirians, committed hard work done by the teachers and above all, sincere and dedicated efforts made by the parents.

Education is a shared responsibility between school and home and during these crucial pandemic times, both these units have worked in exemplary unison and have provided the best to the children.

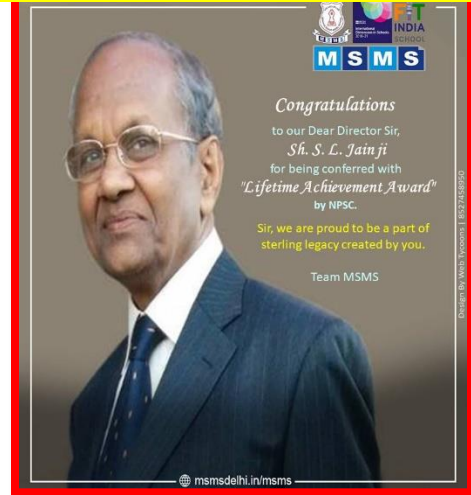

As we close this session and commence with the new session, I want to take this opportunity to thank our esteemed and visionary management for their unflinching support. My deepest gratitude to the parents for being co-partners in this significant educational journey of their wards. My regards to Team MSMS for the exceptional dedication displayed during this session. You have remarkably played the role of learners, teachers and counsellors. And kudos to our little heros, our Mahavirians who have adapted so well to the new normal.

My profoundest appreciation for the Newsletter Editorial Team who continue to raise their own benchmark with publication of each issue.

As we present this last newsletter of the session to you, I sincerely hope that students return back to brick-and-mortar school and the school building should come alive with the ever jubilant voices of the children.

### ONLINE SESSION ON ONLINE GAMING ADDICTION FOR CLASSES IX AND X

*"We need to control our mind rather than to control the technology."*

YWCA of India and Anon Global Foundation in collaboration with Mahavir Senior Model School conducted a Webinar on a prominent issue of concern, Online Gaming Addiction on 15th January 2021. The resource persons were Ms. Arti Girdhar, Philanthropist and Educationist and Ms. Prachi Biswas Head, Communications and Community Outreach.

The day commenced on a pious note by seeking blessings of Lord Mahavira through the rendition of Navkar Mantra. The session was initiated with a warm welcome of resource persons by Principal, Mrs. Ruchika Sukhija.

The resource persons initiated the session by telling the students how online gaming turns into addiction.

They were guided as to how to find out whether the addiction had set in, by looking for the symptoms:

1. Craving: continuous desire to indulge in gaming
2. Control: no control finding it difficult to stop
3. Coping: using gaming as a way to cope up with personal or social issues
4. Compulsion: unable to take interest in any other activity
5. Consequences: Poor performance in academics, social issues, physical problems, and psychological issues.

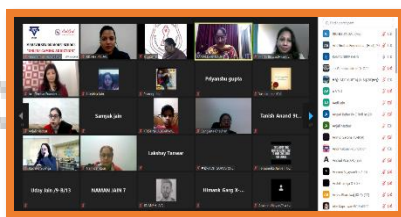

The students were encouraged to realize that they need to achieve the long-term happiness, in the real life and to make changes in their lifestyle by controlling their thoughts through mindfulness.

Further, the following pertinent points were shared, as the solutions to the online gaming addiction:

Accept responsibility, Identify the impact, don't blame others for your mistakes, stay positive, set limits, develop a personal priority list, if no self-control - take help from the parents, develop skills like -reading, writing, gardening, playing instruments, singing,

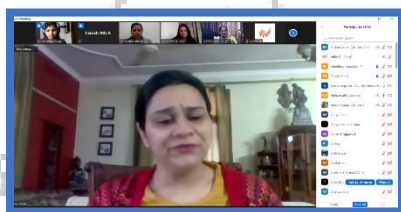

drawing, solve puzzles that could boost the mind.

It was an interactive session wherein the resource persons addressed the students' queries, encouraging them to be one's best friend and to utilize their time with indulgence in focused activities.

पीटीए कमेटी के चेयरमैन श्री आशीष अग्रवाल ने इस कोविड-19 महामारी में सभी अध्यापकों व अभिभावकों की साझेदारी के लिए सभी का शुकुरिया अदा किया ।

अंत में विद्यालय की प्रधानाचार्या श्रीमती रुचिका सुखीजा ने इस अविस्मरणीय आभासी वार्षिक उत्सव को संभव व सफल बनाने में सभी अभिभावकों , अतिथि गणों , प्रबंधक कमेटी के सदस्यों , अध्यापक गणों व छात्र व छात्राओं को कार्यक्रम में उपस्थित होने के लिए धन्यवाद प्रस्तुत किया ।

इस प्रकार के एक बड़े दायित्व को निभाने और इस आयोजन को अत्यधिक सफल बनाने के लिए प्रबंधक समिति, निदेशक महोदय, प्रधानाचार्या, शिक्षकों , छात्रों, अभिभावकों का सकारात्मक, सार्थक, सामूहिक सहयोग सराहनीय है।

रास्तोंको मंजिल न समझिए अ भी दूर ठिकाना है।

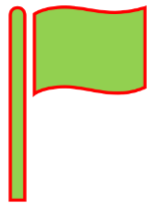

यही सोचकर राही मिलकर आगे बढ़ते जाना है।

## REPUBLIC DAY CELEBRATIONS

*"We are Indians, firstly and lastly." - B.R. Ambedkar*

अत्र जन्मसहस्राणांसहस्रैरपिसत्तमा  
कदाचिल्लभते जन्तुर्मानुष्यपुण्यसञ्चयात्॥

### Meaning:

It is only after many thousand births, and the aggregation of much merit, that living beings are so Bhārata as human.

On 25<sup>th</sup> January 2021, MSMS wrote another beautiful page in history by celebrating 72nd Republic Day virtually, with great éclat and grandeur. The country's spirit of unity and diversity was brought to life when the participants sitting at various places came together through Zoom to celebrate the special Day and witness the feeling of patriotism and dedication we hold as individuals and as school.

The day began with a heartwarming Welcome address. To seek blessings of Lord Mahavira, spiritual rendition of pious Navkar Mantra was played. It was followed by the customary unfurling of the

National Flag along with our National Anthem. The celebrations continued with students' motivational speeches and poems. Inspired by our Honourable PM, Narendra Modi Ji, various Yoga Asanas were demonstrated by our young enthusiasts. A breathtaking presentation of the Song Saare Jahaan Se Accha was delivered by students under the Music Department. Students were also awarded their Academic and Non Academic prizes for exemplary performances. A video with the title Swades was played showing the intricate and polished artwork of the students.

The scintillating play titled Adhikaarya Kartavya was executed under the able guidance of Dance and Drama department.

The young Mahavirians moved every heart with their performances.

The show was live on YouTube as well a huge attendance on that platform.

The historic celebrations concluded with the respectable, Principal Mrs. Ruchika Sukhija who encouraged work hard and be citizens of India.

Our honourable Director sir also addressed the gathering and blessed everyone. He emphasized the importance of children in Nation building and motivated them to work diligently in the upcoming months.

Mr. Ashish Aggarwal (PTA Vice Chairman) also expressed himself and highlighted the importance of discipline in health care especially going back to school post Covid days.

The vote of thanks was gracefully extended by Khushi Aggarwal of class XI.

## **VIRTUAL PTM**

### **CONDUCTED FOR CLASSES I to XII SESSION: 2020-2021**

*Individually, We are one drop. Together, we are an Ocean.*

On 7th November 2020, Parent Teacher Meeting was organised for all sections of Classes I to XII on the virtual platform. The class teachers conducted the PTM for parents of students of their sections in four slots, starting from 8:30 a.m to 12.10 p.m .

#### **Main points of discussion were:**

1. Parents were assured that there are sincere efforts taken by the school and the teachers in providing Quality education to the children, thereby looking

forward to the betterment of the child.

2. Many queries of the parents regarding the Payment of fees were duly answered. They were sincerely informed about the online fee payment avenues ( Entab Software ) that the school has provided considering the ongoing situation. They were also informed about the option of

dropping the cheque at the school gate.

3. Parents were requested to ensure that their ward keeps up with and regularly attends the online classes and must write an email at school ID in case if the child takes a leave and also practices the study material that is sent on a regular basis. Many points related to how the student can manage

his/her time effectively and can ensure steady learning in the given situation at home, were also discussed.

4. Parents were advised to motivate the child to practice continuous writing as

well , to make sure that the student does not lose touch of writing, since most of the learning is being done using online tools.

5. They were also informed about the upcoming Unit test III to be conducted Online next month. They had many queries related to the preparation for Final Exams in senior classes and how the child will take the Exam, which were resolved by the Class teachers.

Parents were specifically mentioning about the mock

test arranged for each class, with which the child would get acquainted with the process of giving the Half-yearly exams online,

and is well prepared on the day of the Exam.

6. Many parents raised issues of network and problems of connectivity during

classes due to which the child sometimes misses out on the topic being done.

They were assured that the child can contact the concerned teacher for

clearing his/her doubts, and can also refer to the study material that is sent to support the topic covered in

Online Classes and must attend Enrichment classes designed for the same.

Overall, parents were very encouraging and supportive,

and were extremely appreciative of the efforts taken by the Management, Director Sir, Principal Mrs Ruchika Sukhija and the teachers. They acknowledged that teachers have put in their sincere best efforts in providing continuous guidance for their children.

Parents also praised the principal and the school for this quick, smart, technological implementation through Virtual Classroom, Online Assessments and virtual PTM to extend the immediate solution to teaching and learning, during the pandemic .

They also appreciated the opportunities of the various activities and competitions that their ward gets to participation, even during these times.

In their Feedback , Parents shared that the PTM meeting was conducive and fruitful. It was a nice forum to reflect upon the child's progress and areas of development if any.

To conclude, All the class teachers successfully conducted this virtual P.T.M . for their

respective sections with a Positive Goal

***"Prepare the child for the Road .Not the Road for the child".***

- Class- I  
Theme: My Favourite Icon

Young Mahavirians impersonated their favourite icons which included the Political Leaders, Actor, Sports Personalities and Freedom fighters. Participants expressed their creativity, imagination and brought their emotions to life. The aim of this competition was to hone public speaking, enhance vocabulary and language skills.

- Class- II  
Poem Recitation Competition  
Theme: Festivals of India

"Poetry is the rhythmical creation of beauty in words."  
- Edgar Allan Poe

Our little learners not only presented themselves completely decked up in accordance to the festival they chose but also decorated their surroundings giving the audience the feel of different festivals. The little ones recited the poetry pertaining to the festivals very fluently and confidently.

- Class- III  
Presentation  
Theme: Eco- friendly Diwali Celebration

It is through festivals that we celebrate our glorious heritage, culture and traditions and play a significant role to add structure to our social lives. Often, we tend to forget that our mode of celebrations can cause undue harm to mother Earth. To make others more aware of how can we can 'Go Green' with our festivities, young scholars showcased different ways in which we can make our celebrations "Environment Friendly".

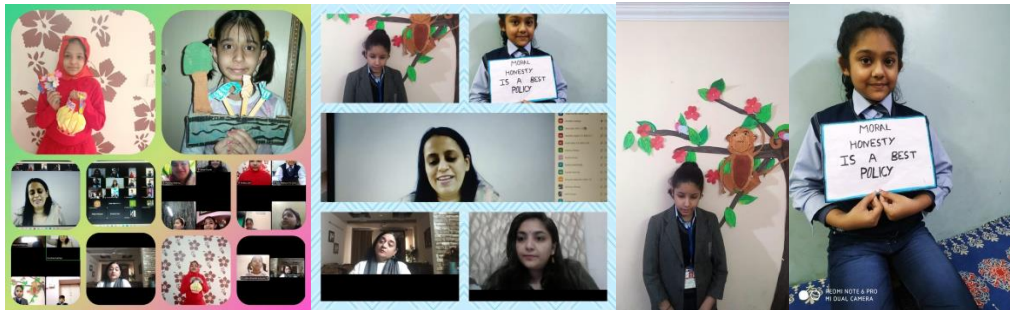

- Class- IV  
The Story Studio  
Story Telling Competition  
Theme: Moral Values

“After nourishment, shelter and companionship, stories are the thing we need most in the world.”

The young, enthusiastic storytellers armed with their props came forth with wonderful tales. While some stories gave the audience food for thought others reinforced moral values. The stories were adjudged on the basis of expression, confidence and presentation skills of the children and incited the curiosity and love for reading in children. Principal ma'am also narrated a story towards the end which left the audience mesmerised.

- Class- V  
Aware India, Safer India  
'1- minute Presentation' Competition  
Theme: COVID- 19 Preventive Measures

Students prepared a '1-minute presentation' on COVID 19 precautionary measures. The students voiced their thoughts about this extremely relevant topic while serving the linguistic purpose of using English language for giving speech, making posters/slogans and using the digital technology to promote meaningfulness of their presentations through PPTs, videos etc.

- Class- VI  
Talking Titans  
Speech Competition  
Theme: Famous Speeches by Eminent Personalities

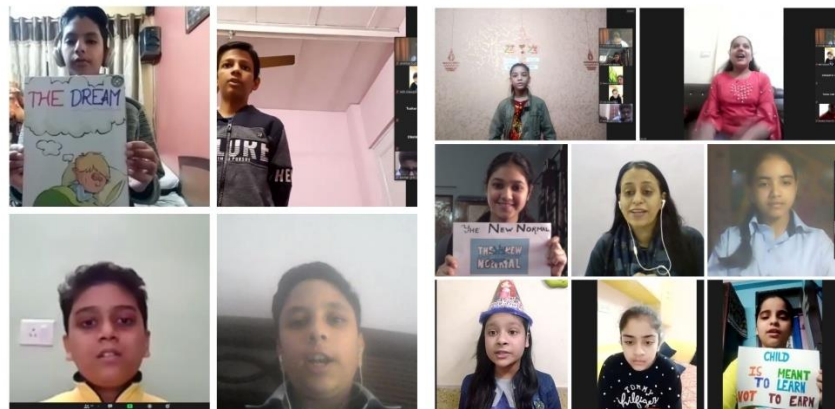

"The great joy of listening to famous people is the joy of discovering their story, their words and their ideas."

The children prepared the famous speeches by eminent personalities like Martin Luther King, Nelson Mandela, Dr. APJ Abdul Kalam, Malala etc. This competition gave learners the chance to practice the skill of public speaking with correct voice modulation, expressions and intonation.

- Class- VII  
'Writing and Presenting a Story' Competition  
Theme: Creative Short Stories

The young learners weaved their stories on various themes and presented them. They opened their heart to their audience, spoke from their personal experiences and connected them on a much deeper level. The young and enthusiastic storytellers armed with the props came forth with the wonderful stories which made the entire message more memorable and well received.

- Class- VIII  
Rendezvous with Luminaries  
(Interview Presentation)  
Theme: Interview of Renowned Personalities

“True conversation is about going on a journey with the person you are speaking with. The young Mahavirains participated in pairs- one playing the role of interviewer and the other acting as interviewee, depicting the role of prominent personalities such as sportspersons, political leaders, celebrities, social reformers, authors or poets. The participants left no stone unturned in presenting the interview with great articulation and expressions. They dressed up in vibrant attires to exhibit the role of the chosen personality. The conversations centered around the life style, career struggles, moral lessons, success mantras and tips given by the eminent personalities such as Albert Einstein, Mother Teresa, M.S. Dhoni, Mr. Narendra Modi, Saina Nehwal, Ruskin Bond, etc.

- Class- IX  
Narrative Poem in Comic Strip Form  
(Poem Presentation Competition)  
Theme: Narrative Poems Presentation in Comic Strip Form

“Poetry is when an emotion has found its thought and the thought has found words.”

To foster the love for narrative poetry amongst students, they were asked to prepare narrative poems in groups. The project was further interwoven with art integration in which students were guided to frame dialogues and illustrate the scenes in the form of beautiful comic strips. In addition, students presented the comic strips in the form of poem enactment.

The learners made all the characters of each rhyme come alive through their live performances. They performed in groups and conveyed the story through voice modulations, expressions, costume and props.

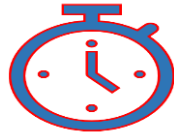

All the respective events provided the students the opportunity to-

- express themselves freely
- boost their morale
- enhance their self- confidence
- showcase their oratory skills
- give form to their creative imagination
- learn from their peers
- receive assistance and feedback from teachers, H.O.D and Principal
- learn about nitty- gritty of specific facets of language
- strengthen all four language skills- Reading, Writing, Speaking, Listening
- foster and explore their love for language
- celebrate the richness of their culture
- integrate Art and other disciplines with language

Winners displayed excellent diction, use of emotion and fantastic gestures, which all help to hammer home the meaning in their words. The audience was enraptured by all the presentations and the judges had a hard time selecting the winners from all the stupendous performances. Winners were over the moon to have the announcement of result from the honourable Principal.

Each event of the English Week Celebrations was graced by the benign presence of the enigmatic Principal, Mrs. Ruchika Sukhija and English HOD, Mrs. Kanchan Naswa. Both of them applauded the strenuous efforts, creativity and confidence of the students and gave the students some valuable pieces of advice to hone their oratory skills. Headmistress, Mrs. Aparna Trehan also encouraged the students. The entire team of English Department graced each event with their reassuring presence. The entire celebration drew the inspiration from the reverent and versatile Director, Shri S.L. Jain's insistence on encouraging children to learn anecdotes and words of historical figures. The entire department is indebted to his far-sightedness, guidance and unfaltering support for the students and teachers in every way.

## **MATHS WEEK CELEBRATION**

### **"REPRESENTING AN OBJECT"**

#### ***Living in shapes helps young learners to Think critically and logically***

A competition was organized for the young learners of Class I. They had to choose any one object of any shape and describe the object and its shape.

Teaching shapes to the children is an important educational activity. The ability to recognize and describe shapes is a fundamental skill that provides foundation for more advanced skills.

The ability to use shapes to describe objects will greatly enhance a child's verbal communication skills. For example, being able to use descriptive phrases such as 'round cookie' or 'square window', etc.

Using games such as spotting shapes around the house or sorting objects by their shape are great activities for teaching shapes.

The enthusiastic young learners spoke fluently about the object chosen by them and its shape. Also, the creativity was enhanced by the props used by them.

# ART INTEGRATION

With an objective to bring Arts into the domain of the curricular, infusing them in all areas of learning while giving them an identity of their own at relevant stages, and as recommended by CBSE,

The young Mahavirians delved into their artistic domain and blended Art with their curricular subjects, across all the classes from 1 to 12. The projects were taken up in all the subjects through interesting tasks wherein all the students participated in the online classroom activities and presented some of the best exhibits.

The cross - curricular approach to Teaching and Learning based on collaboration between the teaching of subject with the teaching of Art, where Art in any of its multiple forms, becomes the primary pathway to learn the subject.

The Integration meant not only to make the learning process joyful but also lent itself to inbibing a greater appreciation and understanding of the Art forms explored for this purpose.

The objectives were well achieved as the learners displayed exemplary artistic and academic blend.

# DIWALI CELEBRATIONS

***" Diya's are God's way of telling us that there will always be light to drive away darkness. May the light of diyas spread joy to your life".***

Students of Class I presented a morning assembly on Thursday, 12<sup>th</sup> November, 2020 on the topic "Green Diwali" and "Children's Day."

### बाल दिवस

ना रोने की कोई वजह थी,  
ना हंसने का कोई बहाना था,  
क्यों हो गए हम इतने बड़े,  
इससे अच्छा तो वह बचपन  
का जमाना था।

बच्चों को समर्पित एक  
त्योहार बाल दिवस  
14 नवंबर को बाल दिवस के  
रूप में मनाया जाता है।

बालदिवस मनाने का मुख्य उद्देश्य सभी नागरिकों को बच्चों के प्रति जागरूक करना है। जिससे सभी लोग अपने बच्चों को सही दिशा दें। इससे बच्चों का भविष्य अच्छा होगा और एक सुव्यवस्थित और सम्पन्न राष्ट्र का निर्माण होगा।

11 नवंबर 2020 को कक्षा तीसरी A और C के लिए आभासी प्रार्थना सभा का आयोजन किया गया। जिसका विषय था बाल दिवस।

प्रार्थना सभा छात्रों में अच्छे चारित्रिक गुण विकसित करने में मदद करती है। आत्मविश्वास बढ़ता है, सामान्य ज्ञान में वृद्धि होती है, इससे बच्चों में सहयोग, उदारता, सहनशीलता, अनुशासन की भावना, मेल जोल जैसे अनेक गुणों का विकास होता है।

प्रार्थना सभा का प्रारंभ नवकारमंत्र से हुआ। छात्रों ने बालदिवस के बारे में जानकारी सांझा की। देश पहले प्रधानमंत्री पंडित नेहरूजी के विषय में जानकारी, कविताएं और गीत प्रस्तुत किए। आभासी प्रार्थना सभा में बच्चों ने उत्साह के साथ भाग लिया।

## NATIONAL EPILEPSY DAY

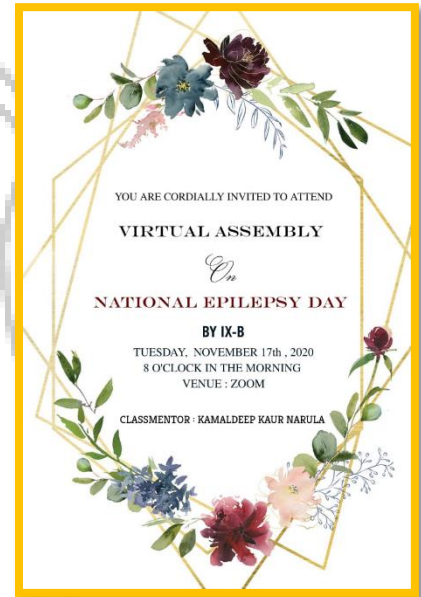

\*The strongest people are not those who show strength in front of us but those who win battles we know nothing about\*

Class IX-B organised a virtual morning assembly on 17th November 2020 to make people aware and to sensitise them for the support that is needed by the people suffering from Neurological disorder Epilepsy which is non contagious.

Assembly started on a pious note by rendition of Navkar Mantra and a positive thought. Students presented

relevant articles, facts , causes of Epilepsy and the kind of support such patients need or problems faced by the people in handling them.

This small initiative taken by IX-B helped everyone know about diagnosis, treatment and social care to be provided to the people suffering from Epilepsy.

**LETS STAY SAFE BY  
CLASS II**

*"Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it is the only thing that ever has."*

*\*—Margaret Mead\**

One of the first conditions of happiness is that the link between man and nature shall not be broken. Here at MSMS, we put in all endeavours to do the exact same.

Social Studies Department organised two E.V.S competitions on 30 January, 2021 (Saturday) through

Virtual medium, Zoom Cloud Meeting app.

The class II competition was Let's Stay Safe. The Topic was: safety is Gainful and

Accident is Painful. The students showed things or prepared cut outs of things

that keep us safe such as traffic Signals, car seat belt, mask, helmet etc.

Class III competition was Incredible India. The students presented any one state of our beautiful country. They dressed up in their traditional dresses and

spoke about the culture, language, food, tourist spots etc.

The presentations were stunning and left the audience in complete awe.

We believe strongly in the themes chosen for our subject and feel proud that our students absorb the most of it.

We end in the words of Lady Bird Johnson to remember

that, "The environment is where we all meet; where we all have a mutual interest; it is the one thing all of us share."

**WORLD SOIL DAY**

*Keep soil alive, protect soil biodiversity!*

International days are occasions to educate the public on issues of concern, to mobilize political will and resources to address global problems, and to celebrate and reinforce achievements of humanity.

World Soil Day (WSD) is held annually on 5 December as a means to focus attention on the importance of healthy soil and advocating for the sustainable management of soil resources.

To sensitize the students about soil and its importance in our lives, Social Science

Department took an initiative to celebrate World Soil Day. Students did activities like preparing soil in off season through composting, poster making, discussion on importance of the day, sharing of thoughts and uses of soil.

## **INTERCLASS COMPETITION**

**Topic : Kalam Young  
Science Innovator  
Competition**

**CLASS : VI**

*CREATIVITY is thinking up new things.  
INNOVATION is doing new things.*

With these thoughts, an interclass competition was organised by SCIENCE DEPARTMENT to motivate students to perform and excel and offer a lot more reward than just winning the prize. It encourage students to adopt innovative techniques and develop their ideas and skills. It encourages teachers to explore research and use all the tools to uncover something new.

**INNOVATION is where  
IMAGINATION meet  
AMBITION.**

17 students from all sections participated in the competition and showcased their discoveries and creativity. They made speakers, fire alarms, water conservation models, performed scientific experiments based on certain principles of light & density.

The event was graced by presence of HOD Science department Mrs. Charanjiv Chopra . Everyone appreciated and applauded the efforts of students.

Students were judged on creativity, utilization of resources, artistic composition, ecofriendly rating, utility of product and overall presentation.

**# Innovation is the only way to win.**

**Topic: Regard before

*Do more than care :*  
***HELP***

*Do more than believe :*  
***PRACTICE***

*Do more than be fair :*  
***KIND***

*Do more than dream :*  
***WORK***

With these thoughts, an interclass competition was organised by **SCIENCE DEPARTMENT** to motivate students to perform and excel and offer a lot more reward

than just winning the prize. It offers a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude.

The competition focused on bringing an understanding among the children about preserving

the environment by reusing and recycling waste materials. 19 students from all sections participated in the competition and showcased their discoveries and creativity. Our young innovators made electric locker, table lamp, vaccum cleaner, washing machine, rainwater harvesting model, bean bags, multipurpose utility boxes, e-waste decorative items and much more. The event was graced by presence of Principal

Ma'am Mrs. Ruchika Sukhija, HOD Science department Mrs. Charanjiv Chopra.

Students were judged on creativity, utilization of resources, artistic composition, ecofriendly rating, utility of product and overall presentation.

## **NATIONAL ENERGY CONSERVATION DAY**

*\*-Practice Conservation for the future generation\*.*

National Energy Conservation Day is celebrated every year by the people of India on 14th December. It is organised by Energy Efficiency Bureau \*(BBE)\* .

The main aims behind this are :

- 1) To raise awareness among general public about the importance of conservation and energy efficiency.
- 2) To promote the process of energy conservation.
- 3) To use available resources judiciously and preventing wastage of energy through efficient methods.

To sensitize our young Mahavirians, \*Science Department\* of MSMS organised plethora of informative activities for classes 6 to 11. Our commitment was to make students realise that they need to \*Save Today for Survival

Tomorrow.\*Through activities it was taught that

## **SPECIAL DAY CELEBRATIONS**

it is the duty of every individual to include energy conservation in their behaviour.

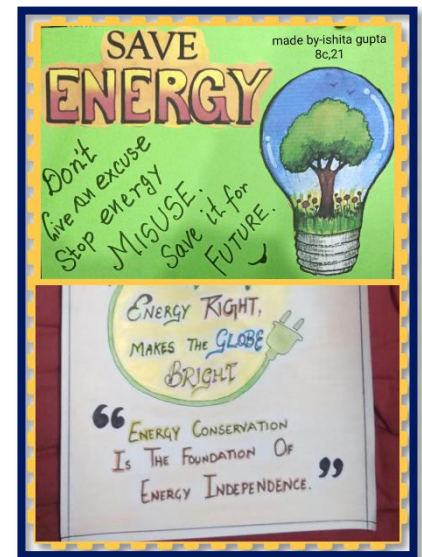

During regular virtual classes teachers laid stressed on the following :

We should try daily to cut off the energy wastage we do.

Switching lights, fans when not in use is a simple way to do so.

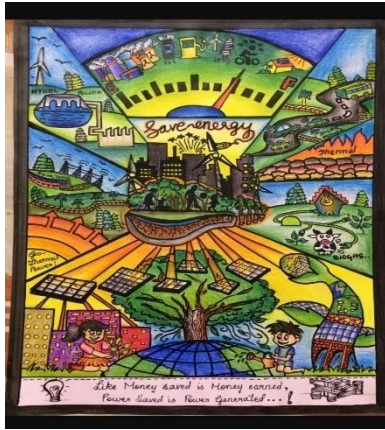

Replace light bulbs, use energy efficient appliances.

Students were encouraged and motivated to include these steps in their daily day to day behaviour.

Throughout this initiative of ours students made beautiful and informative posters in their class itself, wrote catchy slogans and recited poems which struck the right cord and tune for energy conservation. Students also presented skit on \*SAVING TODAY FOR POWER TOMORROW\* with their family members.

**#CONSERVE TO PRESERVE.**

## JUPITER SATURN CONJUNCTION EVENT

**DATE - 21.12.2020**  
**TIMINGS- 6:30 P.M.-**  
**7:30 P.M.**

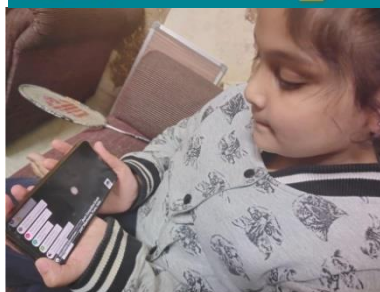

*"The Universe is full of magical things, patiently waiting for our wits to grow sharper".*

Young Mahavirians were testimony to the

significant event of conjunction of Jupiter and Saturn which was observed on December 21, 2020. The event was made more remarkable when students could directly witness this breath taking moment, live from Jyotividya Parisansta,Pune.

It was a life time opportunity for students when they could observe it so closely through live telecast.

## CLEANLINESS DRIVE

Setting boundaries is a positive, healthy necessity in one's life which will empower and raise confidence in one self

Science Department under the took an initiative to take up Cleanliness drive in which plathora of activities were planned for the students of different levels.

With the aim of creating awareness and making our nation strong and healthy, the students were motivated towards cleanliness and healthy habits.

As it is rightly said healthy body and healthy mind can progress and take nation towards the height of success. The corona virus outbreak has affected millions of people around the world. Doctors claim that maintaining proper oral hygiene and personal hygiene during pandemic is of utmost importance.

# **Class VI** students prepared beautiful informative presentations and delivered sensational speech on **Maintaining personal hygiene during pandemic \***

# **Class VII** students made magnificent posters and

relevant PPT on **Oral Hygiene \***

# **Class VIII** students made amazing and effective PPT on the topic **Maintaining hygiene during Adolescent years**

# **Class IX** students prepared PPT with beautiful visual impact on the topic - **Cleanliness and hygiene tips during COVID - 19**

The motive of all these activities was to make our children well informed about the spread and control of pandemic so that they can protect themselves and make their family aware about the devastating impact of virus.

## **NATIONAL HUMAN RIGHTS DAY**

To deny people their human rights is to challenge their very humanity. - Nelson Mandela

Human Rights Day is observed every year on 10th December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights (UDHR). The UDHR is a milestone document that proclaims the inalienable rights which everyone is entitled to as a human being - regardless of race, colour, religion, sex,

language, political or other opinion, national or social origin, property, birth or other status.

Few reasons for celebrating this day are as follows:

\*To leverage the awareness about human rights among the people across the globe.

\*To accentuate the efforts of the United Nations General Assembly in order to progress the comprehensive human rights conditrightsTo interact and celebrate in association to discuss and highlight the crucial issues of human rights.

\*To motivate the susceptible group of people like women, minorities, teenagers, poor, disabled person, and others to participate in this event.

\*To sensitize students about

Human Rights , Our young scholars shared beautiful and informative posters on Human rights.

To create awareness among our young Mahavirians separate Reading of Declaration of Human Rights was done by students in the classes which was followed by \*class discussion on Rights and Duties are the two sides of the same coin which cannot be separated

Students enthusiastically participated in all the activities and pledged to support the vulnerable groups of the society at the time of pandemic.

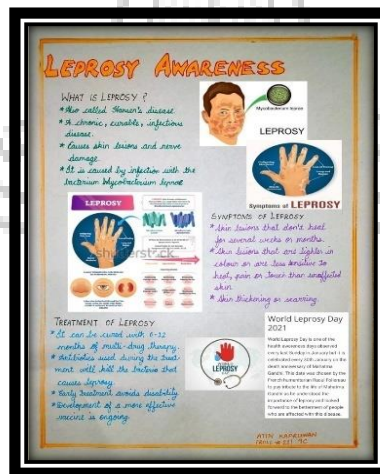

## WORLD LEPROSY DAY

**"It's not about how much you do, but how much love you put into what you do that counts"**

It is the need of the hour to show concern and love for people across the world suffering from Leprosy. The theme for World Leprosy Day-2021 is **World Leprosy eradication by creating awareness**

Accelerating towards leprosy free world and developing concern towards mankind Science department organised Leprosy awareness program at all levels in the school on **World Leprosy Day-30th January**.

Students participated in all the activities with great zeal and developed sensitivity towards the sufferers. They also shared the devotion, dedication and service towards mankind by Mother Teresa.

**Class- VI- Students** expressed their feelings in the form of beautiful poems.

**Class-VII-Students** wrote meaningful and expressive slogans.

**Class-VIII-Students** made colourful presentation on eradicating Leprosy from the world.

**Class-IX-Students** made eloquent posters for creating awareness.

**Class-XI-Made** power Point presentation on challenges and support for the people suffering from Leprosy.

This programme was a great learning experience as well as a step for evoking sensitiveness towards mankind.

**A sense of concern for others gives meaning to our lives, it is the root of all human happiness.**

## IRIS NATIONAL FAIR

IRIS Initiative for Research & Innovation in Stem is a public private partnership program funded by Department of Science & Technology ( DST) and Broadcom, and implemented by EXSTEMPLAR Education Linkers Foundation.

IRIS promotes and nurtures Science & technology , engineering and mathematics ( STEM) research among young Indian innovators. It recognizes and rewards outstanding projects and provides a platform for young innovators to get recognized at national and international STEM events.

It was two days live event where 250 students from Class (5th to 11th) of our school registered and gained an immersive experience and witness innovative projects created by their peers. The fair had a number of things to offer. One could either choose to listen to the eminent educationalists talking about science and technology or visit to exhibit hall. Students were able to access live sessions on diverse topics like biomedical and health sciences and physics and astronomy , robotics and

intelligent machines by individuals from national and international organizations, visit the showcase zone featuring 100 outstanding innovative research based STEM projects across 21 subject categories, explore scholarship options within India and overseas, explore fun games and win prizes and participation certificates.

In the exhibit hall, each innovation was explained by a complete experiment in pdf format along with a project video for demonstration which provide a clear picture of each experiment.

## WORLD AIDS DAY

“Only the light of knowledge about AIDS can rid us from the darkness of fear, misconception and pain.”

An initiative by Science Department in which students were made aware about how HIV spreads, its cause , symptoms along with preventive measures of this dreadful disease in their classes.

World AIDS Day, designated 1 December every year since 1988, is dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection, and mourning those who have died of the disease. Government and health officials, NGOs and individuals around the world observe the day, often with education on AIDS prevention and control.

Class 10 students made posters about how to follow a healthy way of life by preventing themselves from

such dreadful disease .  
Students were told to shed inhibition and come forward to spread the message in their surroundings.

World AIDS DAY on 1 December brings together people from around the world to raise awareness about HIV and demonstrate international solidarity in the face of the epidemic. These programmes help students cope with moral and physical challenges faced during adolescence.

**#STOP AIDS**

**ARMED FORCES VETERANS DAY**

Every year, Armed Forces Veterans Day is celebrated on January 14 ,since 2017.

This day was chosen because Field Marshal KM Cariappa, the first Commander-in-chief of Indian Armed Forces retired on the day.

Commemoration of Armed Forces Veterans Day acknowledges and honours the selfless devotion and sacrifice of our veterans in the service of the nation.

**MAKAR SANKRANTI**

Makar Sankranti is an important festival celebrated in various parts of the country. The day celebrated on January 14 every year

marks the beginning of the auspicious **Uttarayan**. Makar Sankranti is an ideal illustration of solidarity in diversity. Each state in India has different ways of observing Makar Sankranti however the theme- harvest season - is the combining factor.

On this day, the Sun God is worshipped, offered prayers and gratitude.

Sankranti encourages people to partake in altruistic activities and give as much as possible to poor people and penniless. It is an ideal time to take part in such helpful deeds.

In Gujarat and Punjab , it is celebrated as **Kite flying festival**

On the colourful occasion of Makar Sankranti in Tamil Nadu, this celebration is celebrated as **Pongal** for four days.

At MSMS, we discussed about these special days with students in our virtual classes and promoted them to celebrate this festival with their families staying safely indoors during the pandemic times, thereby understanding the traditions followed in their family, society and country.

## **WORLD CANCER DAY**

World Cancer Day, organized by the Union for International Cancer Control (UICC) and celebrated each year on 4 February, is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

This year's theme, "I can, we can" acknowledges that everyone has the capacity to address the cancer burden. We can work together to reduce cancer risk factors. We can overcome barriers to early diagnosis, treatment and palliative care. We can work together to improve cancer control and achieve global targets to reduce premature mortality.

Science Department organised awareness program for students and educate them the possibility of cancer control.

## **NATIONAL POLLUTION CONTROL DAY**

*"Environmental Pollution is an incurable disease. It can only be prevented."*

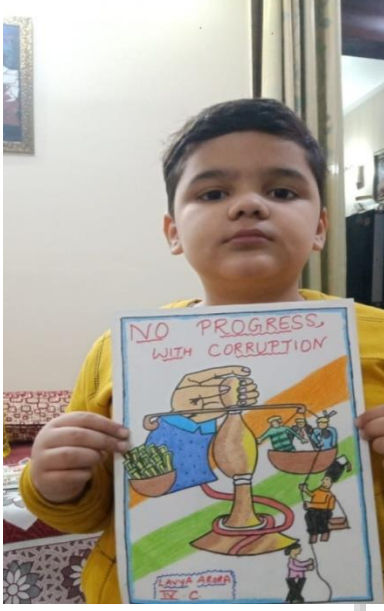

It is currently one of the biggest challenges the world is facing today. Every year \*2 December\* is observed as \*National Pollution Control Day\* ever since the disastrous accident of Bhopal Gas Tragedy happened in 1984.

The day also remembers

taken a pledge that they will never support corruption in any form.

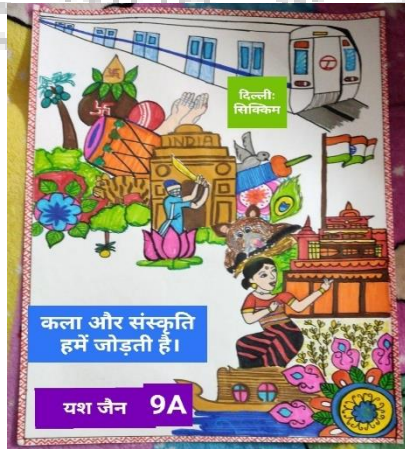

## LEARNING EXPERIENTIALLY

सिक्किम कला सहभागिता परियोजना व क्रियाकलाप

कला एकीकरण शिक्षण एक शिक्षण-अधिगम मॉडल है जो 'कला के माध्यम से' और 'कला के साथ'

सीखने पर आधारित है। यह एक ऐसी प्रक्रिया है जहाँ कला शिक्षण-अधिगम का माध्यम बन जाती है। कला को माध्यम के रूप में उपयोग करके विषय को सुगम, सरल व रोचक बनाया जाता है। इसी क्रम में पहली से दसवीं तक की कक्षाओं के छात्रों ने बहुत ही उत्साह के साथ सभी क्रिया कलाओं में भाग लिया व क्रियाकलापों को करने में आनंद उठाया।

दसवीं कक्षा सिक्किम - एक रूप अनेक विषय के अंतर्गत दसवीं कक्षा में वेशभूषा, परंपरा को पीपीटी द्वारा प्रस्तुत किया।

नवीं कक्षा सिक्किम की संस्कृति, संप्रदाय आदि के बारे में पीपीटी, नाटक नृत्य, चित्रकला बनाने के क्रियाकलाप करवाए गए।

छठी से आठवीं कक्षा सिक्किम के त्यौहार व कंचनजंगा के बारे में पंक्तियाँ लिखने के क्रिया कलाप करवाए गए।

किसान दिवस 23 दिसंबर- छठी से आठवीं पर कविता वाचन, श्लोक और नारे लिखने के क्रिया कलाप करवाए गए। एकल अभिनय की प्रस्तुति दी गई।

छठी कक्षा प्रदूषण रहित दिवाली पर नारे लिखकर पोस्टर बनाने कविता वाचन , श्लोक और नारे लिखने , एकल नाटक के क्रियाकलाप करवाए गए।

पाँचवीं कक्षा आँखों के विभिन्न भावों को चित्रों द्वारा अभिव्यक्त करना, पटाखों को ना कहे विषय पर नारे, सिक्किम के बारे में रोचक तथ्य लिखने और दिवाली पर स्वरचित कविता लिखना व वाचन के क्रियाकलाप कराए गए।

चौथी कक्षा भगवतगीता के श्लोकों का वाचन और सिक्किम के पर्यटकस्थलों के बारे में बताने के क्रिया कलाप करवाए गए।

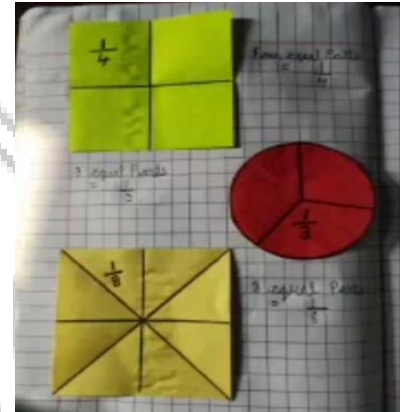

तीसरी कक्षा पटाखों से होने वाले नुकसान के बारे में बताना, सिक्किम के धर्म, नृत्य, त्योहार और भोजन आदि के बारे में लिखने और नैतिक मूल्य पर कविता वाचन की गतिविधि करवाई गई

दूसरी कक्षा दिवाली के लिए शुभकामना कार्ड और मेरा परिवार विषय पर कविता वाचन की गतिविधि करवाई गई।

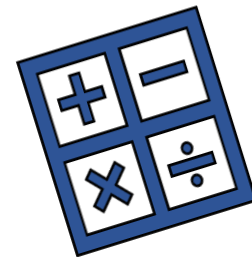

## FRACTION MASTERS

(An experiential learning activity for class 3)

The introduction of fractions is one of students' first experiences with the Maths concept beyond the basic skills of Addition, Subtraction, Multiplication and Division.

It is important that the child feels comfortable and confident in his understanding of fractions because it is a building block for other Maths skills like understanding of Algebra, Division algorithms, essentials of Rational and Irrational Numbers.....

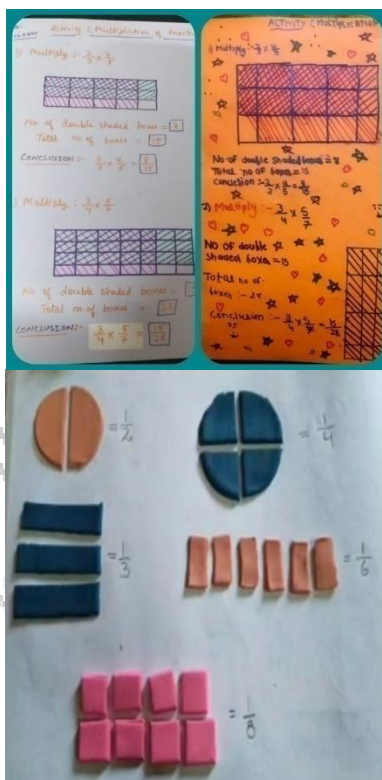

Keeping this importance of Fractions in mind, Fractions were introduced and explained in class 3 using

- I) Daily life objects
- II) Paper folding
- III) Clay craft.

The students were engaged in different hands on activities to make the concept of Fractions clear to them.

They thoroughly enjoyed these activities and participated wholeheartedly, thereby accomplishing the goal of Learning by Doing.

### MULTIPLICATION OF FRACTIONS (ART INTEGRATED ACTIVITY CLASS 5)

With the aim of making Mathematics more interesting and attach it with Arts, our Mathematics Department try to perform some of the difficult and abstract topics using art Integrated activities.

One such activity based on topic Multiplication of Fractions was performed in class 5. Students multiplied two different fractions using art integration. Students were excited and could visualize

the concept. They enjoyed doing this activity.

### PART-WHOLE ACTIVITY ( Class VI)

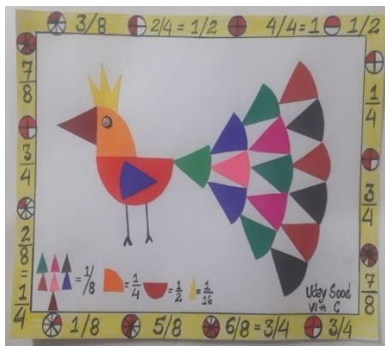

Students gain deeper understanding of their subject, environment and develop critical thinking skills when they work on ART integrated projects. Concept like shapes and space are easier to comprehend when learn through art.

A fraction by itself does not describe the size of the whole or the size of the parts. A fraction tells us only about

the relationship between the part and the whole

- It help students to reinforce the concept of fractions and encourage students to create a pattern or a picture of an object using part of the fraction.

## SHAPE HUNT

Students of classes VII and VIII prepared beautiful wall hanging and decorative pieces using the concept of area and perimeter.

Understanding the basic concept of geometry and

shapes is to develop the creative thinking in the student's mind of a mathematical situation and to create the pictorial representation of that situation. It motivates students to stretch their minds in a new direction. Geometry and art go hand in hand.

- It helped the students to understand the concept of different shapes their area and their perimeter and its difference.

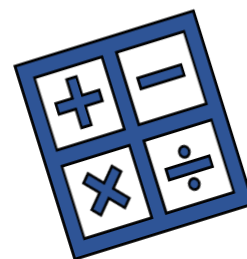

## MATHS WEEK CELEBRATIONS ( 14<sup>TH</sup> TO 22<sup>ND</sup> December, 2021)

On the occasion of National Mathematics day (22nd December,2020) ,Maths Department had organised week long celebrations in the form of Maths Week 2020, to commemorate birthday of great mathematician Srinivasa Ramanujan and his

contribution in Mathematics. The young Mahavirians participated in a plethora of Intra Class Competitions and activities enthusiastically , thereby winning several accolades as well as hearts. The competitions and activities were planned as per their age and class level:

## CLASS 2 : DESIGN A DRESS

As part of Maths Week Celebration and Art Integrated Task, the students participated in the project ‘ Design a dress ‘ on the theme of traditional dresses of Sikkim. The students were asked to design a dress for their doll on the given theme. They used ecofriendly materials such as newspaper, wool, jute, cloth and other decorative material for making the dress. They also used different types of shapes in making the dress. They were asked to speak about the dress made by them for their doll, shapes used in designing the dress and share the experience of making it in a small video.

The competition -

- ★ Gave them an opportunity to express their ideas freely.
- ★ Boosted their morale.
- ★ Enhanced their drawing and geometric skills.
- ★ Gave a platform to showcase their sensitivity towards current scenario.

mathematical terms. The aim of this Competition was to

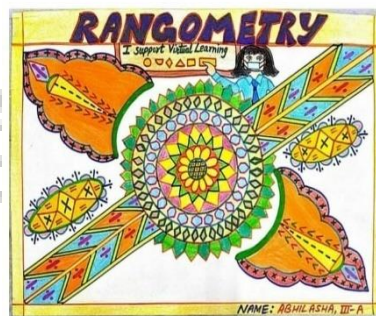

- ◆ associate mathematical terms in daily life situations
- ◆ develop connectivity of students with the subject.

### CLASS 3: RANGOMETRY

*Where there is MATTER,  
there is GEOMETRY-  
Johannes Kepler*

The young scholars of Grade III participated in an Intra Class Competition - RANGOMETRY and showcased their creativity by amalgamating 2D and 3D shapes, symbols, colours and contemporary issues of staying safe during global pandemic and virtual learning.

### CLASS 4: VISUAL REPRESENTATION OF MATHEMATICAL TERMS

The students of class 4 presented themselves beautifully as different

### CREATIVE USE OF TANGRAMS

Tangram is a Chinese Puzzle made up of seven pieces which are joined together to form different shapes/pictures. Students prepared beautiful theme based sceneries using Tangram pieces.

The objective of the competition was to make student aware the Chinese puzzle Tangram and to enhance their creativity to make beautiful art piece.

### **CLASS 6 - 8 :ART OF SYMBOLS**

*“Mathematics is all about becoming a Creative Thinker NOT a Calculator”*

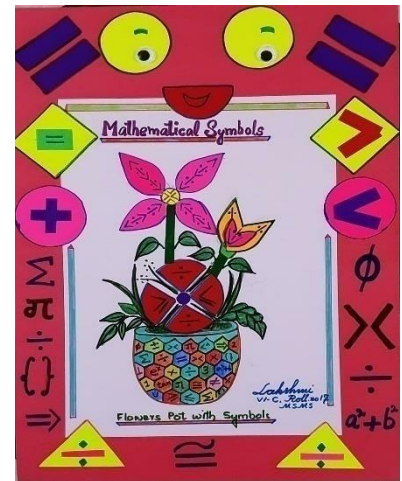

On the occasion of birthday of great Mathematician Srinivasa Ramanujan

mathematics department organised an art integrated competition for classes 6th to 8th **SYMBOLS ART**

The aim of this activity was to:

- \* develop connectivity of students with the subject.
- \* describe the symbol language in learning mathematics .

It is undeniable that symbols not only enhance understanding but also provide a universally receivable manner to show certain functions of Mathematics.

### **CLASS 7 and 8: REPRESENTING A MATHEMATICIAN**

In this competition students represented themselves as prominent Mathematicians and threw light on their life and contributions in the field of Mathematics. This competition was organized to encourage and inspire students from the lives of great mathematicians like Ramanujan, Shakuntala Devi, BhramaGupta, G.H. Hardy, John hortonconvay , Emmy Noether etc. Students gave mesmerizing performance virtually and left the audience and judges spell bound. Some students also used virtual background to make presentations unique.

## CLASS 9 :MATHS NINJAS – A POWERPOINT COMPETITION

The theme of the competition revolved around the presence of Mathematics everywhere in our world and students were asked to share their views on anyone of the given topics:

I) Mathematics in famous Monuments.

II) Common Errors in Mathematics.

III) Application of Mathematics in other subjects.

Our Young Scholars prepared Vibrant, colourful, informative , creative presentations on these topics . Their talent and hardwork was evident in their creations.

The event allowed them to research and present many important dimensions of the most feared subject - Maths in an interesting way, gave an opportunity to compete, boosted their morale and confidence as well as

polished their speaking and Multimedia skills.

## CREATING A DIGITAL KNOWLEDGE HUB:

*The future belongs to those who learn more skills and combine them in creative ways.*

To enrich students' experience in illustrative composition and to give vent to their innovative skills, an **E-News Collage Designing** activity weaved together with **English speaking presentation** was organized for the students of Class IX.

"The expert in anything was once a beginner."

Students were guided to explore newspapers and supplement their collages with a creative title and newspaper clippings such as headlines, articles, pictures, facts and data. Their divergent thinking was challenged as they were provided with an array of themes such as Sports, Technology, Environment / Climate, Values.

"Skill is the unified force of experience, intellect and passion in their operation."

The students participated with immense zeal and enthusiasm across all three sections of Class IX. They came with up wonderful ideas and designed collages

with flamboyant layouts serving as a feast for the eyes. Also, they left no stone unturned in presenting the theme based collage as eloquent news readers.

Through this endeavour, the young learners not only showcased their impressive oration and artistic talent but also spread the awareness about current affairs.

conducted by Entab

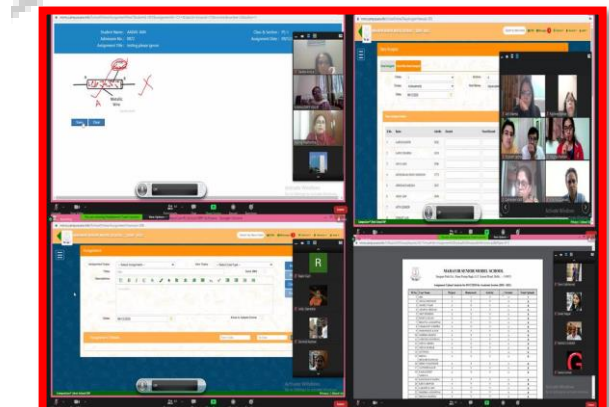

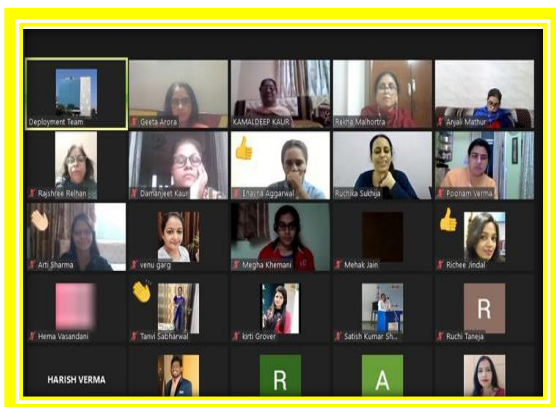

“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.” — Dr. Seuss

Entab school ERP is a comprehensive school management software that helps schools to manage all the administrative and academics tasks in the most effective manner, connecting everyone in a single platform.

With the aim to learn for using more modules of this application, training for MSMS Team was organized through the virtual platform.

### The key features shared were:

- 1) Diary Assigner : accessing homework classwise and studentwise
- 2) Assignment : uploading and reviewing the work of students online in JPEG or PDF file.
- 3) Notifications : will be received while sending and receiving the assignments. She said that file must be uploaded in JPEG format.  
News can be seen either student and teacher wise.
- 4) Question Test Papers: Previous Year Question Papers and Sample Papers can be uploaded.
- 5) ExamDatesheet : Datesheet of various examination can be made on portal as well as uploaded on PDF form.
- 6) School online Report: Summary of reports can be seen like Subject details,Class wise subject Details,Mark Entry Slip,Attendance Details, Classwise Permission Report and Student wise Subject details.

## नाटक एवं नृत्य विभाग

शक्ति की अवतार है नारी  
धैर्य की श्रृंगार है नारी  
नारी बिन यह जगहै नश्वर  
जीवन का आधार है नारी

शक्ति की आराधना -  
उपासना करने के लिए 9 दिनों  
तक चलने वाले इस त्यौहार  
को नवदुर्गा उत्सव कहा जाता  
है। जिसमें शक्ति की उपासना  
की जाती है।

धन और शक्ति सदैव नहीं  
रहती इसलिए आज के युग  
में भी धार्मिक शिक्षा का एक  
अनोखा महत्व है।

नृत्य एवं नाटक द्वारा  
सांस्कृतिक  
कार्यक्रम करवाने का उद्देश्य  
बच्चों को अपनी संस्कृति से  
परिचित करवाना, तथा

संस्कृति के प्रति सम्मान एवं  
श्रेष्ठता का भाव विकसित  
करना होता है।

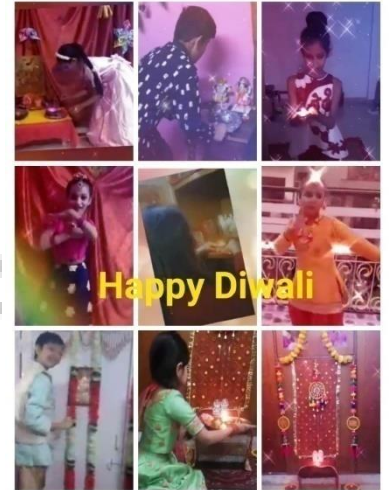

नवरात्रि के दौरान बच्चों ने  
माँ दुर्गा के बारे में जाना की  
माँ दुर्गा आदिशक्ति,  
प्रधानप्रकृति, गुणवती  
योगमाया, बुद्धितत्व की  
जननी तथा विकार रहित है।  
वह अंधकार व अज्ञानता रूपी  
राक्षसों से रक्षा करने वाली  
तथा कल्याण कारी देवी हैं।

उनके बारे में मान्यता है कि  
वे शान्ति, समृद्धि तथा धर्म  
पर आघात करने वाली  
राक्षसी शक्तियों का विनाश  
करती हैं।

नृत्य एवं नाटक के माध्यम  
से बच्चों ने "बुराई पर  
अच्छाई की प्रतीक" माँ दुर्गा  
के बारे में, उनके अनेक रूपों  
की महिमा के बारे में जाना।  
तथा बच्चों ने नृत्य नाटिका  
के माध्यम से माँ दुर्गा के  
प्रति अपनी श्रद्धा, भक्ति -  
भावना प्रस्तुत की।

दीप जगमगाते रहे  
सबके घर झिलमिलाते रहे  
साथ हो सब अपने  
सभी यूँही मुस्कुराते रहे।

जैसा आप सब जानते हैं की  
दीपावली भारत के सबसे बड़े  
और सर्वाधिक महत्वपूर्ण  
त्योहारों में से एक है।

दीपावली सामाजिक एवं धार्मिक दृष्टि से भी बहुत महत्वपूर्ण त्यौहार है। धार्मिक निष्ठा के इस त्यौहार को हिंदू, सिख, जैन और बौद्ध धर्म के अनुयाई बड़ी ही धूम धाम के साथ मनाते हैं।

आध्यात्मिक रूप से यह त्यौहार "अंधकार पर प्रकाश की विजय" को दर्शाता है। साथ ही दीपावली "स्वच्छता" एवं "प्रकाश का पर्व" भी है। कई सप्ताह पूर्व ही दीपावली की तैयारियां आरंभ हो जाती हैं।

\*इस दीपावली को सुरक्षित और\* \*प्रदूषण मुक्त दीपावली मनाने एवं\* \*प्रकृति की सुंदरता को बनाए रखने\* के लिए विद्यालय के छात्रों ने इकोफ्रेंडली दीपावली मनाने का संकल्प लिया साथ ही संदेश दिया कि इन पटाखे को बनाने के लिए जिन बच्चों का इस्तेमाल किया जाता है उनकी क्या दुर्दशा होती है। इसी भाव को ध्यान में रखते हुए बच्चों ने नृत्य एवं नाटक के माध्यम से अपनी भावनाओं को दर्शाया कि सही

मायनो में हमें किस प्रकार दीपावली मनानी चाहिए ताकि हमारी धरती हरि - भरी, खुशहाल एवं संपन्न बनी रहे।

### CHRISTMAS DAY CELEBRATIONS

बड़ा दिन के नाम से मशहूर "क्रिसमस" का त्यौहार 25 दिसंबर को मनाया जाता है।

जैसा की आप सब जानते हैं "क्रिसमस"

\*जीससक्रिस्ट (Jesus Christ) के जन्म की खुशी में मनाया जाता है। जीसस क्रिस्ट को भगवान का बेटा (Son of God) कहा जाता है।\* इस दिन घरों में रहकर बच्चों ने एक से बढ़कर एक सजावट की।

सैंटाक्लॉज़ की ड्रेस पहनकर अपने पसंदीदा काल्पनिक

पात्र सैंटा को याद करके नृत्य एवं नाट्य प्रस्तुति की। साथ ही उपहार में कोरोना से मुक्ति की गुहार लगाई। घरों में एक-दूसरे को केक खिलाया तोहफे दिए।

Physical fitness is not only the most important key to a healthy body, it is the basis to a dynamic, creative and intellectual activity.

participated in the sessions. Yoga exercises, aerobics and various educational fun games like fruit activity, color activity and jumping activity which not only boost confidence of the students but helps them to stay active.

Fit India School Week was celebrated from 14<sup>th</sup> December, 2020- 19<sup>th</sup> December, 2020 by the department to promote a habit of healthy living in young Mahavirians. The prime objective of this was to make the students more aware about the relevance of the fitness in life. It was conducted from class I-IX and XI. The week was started with fun and fitness activities indulged in a fun filled session of free hand

exercises, virtual morning assemblies.

Live aerobics yoga sessions was organized on the theme of 'Jo Fit Voh Hit' and spread the message 'Altering Passive Screen Time to an Active Field Time' with a theme of 'Hum Fit Toh India Hit' a Poster Making competition was conducted, Movie Making Activity was also conducted on 'Get Fit Don't Quit' and 'Mental Health is not Journey but a Destination.' Virtual Sports Quits was also organized for class VI- VIII students.

Students enthusiastically participated in Bop It Virtual Challenge and Ball Dribbling Challenge.

A family Fitness Day was also conducted with their kids. A webinar on 'Diet and Nutrition' was organized by the department and the key note speaker was Dr. Bharat Gupta and students also attended a motivational webinar on fitness conducted by the department and the motivational speaker was Dr. R. Ram Mohan Singh.

- \* Make a greeting card to wish Merry Christmas to your friends.

## BIRTH ANNIVERSARY OF ATAL BIHARI VAJPAYEE

We celebrated 96th birth anniversary of Atal Bihari Vajpayee - an Indian politician, statesman and a poet who served three terms as the prime Minister. Apart from being a politician, he was also an acclaimed writer who has written various poems. Vajpayee had joined the Quit India Movement in 1942 as a student leader. He was awarded India's highest civilian honor Bharat Ratna in 2015 on his birthday.

His birthday, 25 December, was also declared as the **Good Governance Day** by Narendra Modi government. Vajpayee was also a member of the Rashtriya Swayamsevak Sangh and worked as a journalist for a short period before he joined BJP.

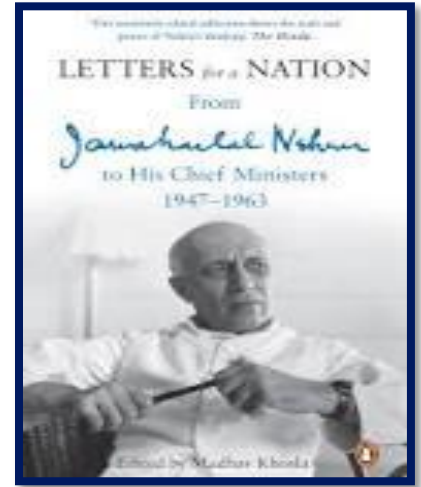

## DHARAM VEER BHARTI

We also celebrated the 94th Birth anniversary of Dharamvir Bharti ji. Dharamvir Bharti (25 December 1926 – 4 September 1997) was a renowned Hindi poet, author, playwright and a social thinker of India. He was the chief editor of the popular Hindi weekly magazine Dharmayug, from 1960 till 1987.

Bharati was awarded the Padma Shree for literature in

1972 by the Government of India. His novel **Gunaho Ka Devta** became a classic.

Parents were requested to show some special gestures to show their enthusiasm to celebrate "Bal Diwas " in these tough times. They can give their precious gift to children "Quality Time". The library department thought of few activities for this special occasion.

**CHILDREN'S DAY**

"The greatest gift we can give our children are the roots of responsibility and the wings of independence."

Pandit Jawaharlal Nehruji 🙏

Every year, India marks November 14 as Children's Day as a tribute to India's first Prime Minister Pandit Jawaharlal Nehru who was born on the day. "Childhood is a happy place to be in, so enjoy your childhood days and make good memories."

**Classes 1 to 3**

- Dress up like Pandit Jawaharlal Nehru and tell why do we call him Chacha Nehru with love.
- Parents to share their special ways to amuse their tiny tots.

**Classes 4-5**

- Share any anecdote from the life of Pandit Jawaharlal Nehru.
- Recite a poem on Bal Diwas.
- Make a greeting card to wish your friend Diwali and Bal Diwas.

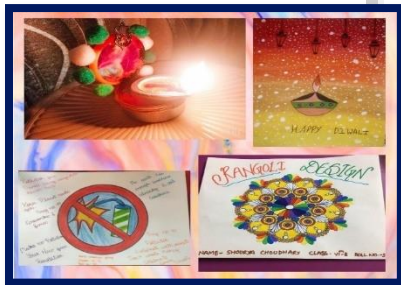

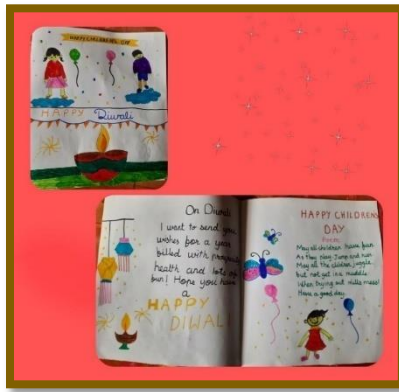

**FESTIVE CELEBRATION**

"Diwali is an occasion to let the light of diyas and candles illuminate not just your home, but your life too."

Deepavali is the Indian festival of lights, usually lasting five days and celebrated during the Hindu Lunisolar month Kartika. It symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". During Diwali, we illuminate the interior and exterior of our homes with diyas and rangoli. So to boost up the students' creativity Library Department thought of few class-wise activities.

### Classes 6 and 7

- Students to create a beautiful Diwali Greeting.
- Students could make a poster/video on "Say no to crackers".
- Students could make a beautiful Rangoli.

### Classes 8 and 9

- Students to decorate a Pooja Thali
- Students could decorate a Diya
- Students to make a poster on "Eco-Friendly Diwali".

## GURU NANAK JAYANTI

Gurupurab marks the birth anniversary of the founder of Sikhism and the first of the ten Sikh Gurus, Guru Nanak Dev.

The festival is celebrated on the full moon day of Kartik season. This year marks the 551st birth anniversary of Guru Nanak. The services of mankind Sewa, Kirtan, Satsang, and faith are the

basic concepts of Sikhism established by Guru Nanak Sahib. The library department organizes a few classwise activities given below:-

### Class 1 to 3

- Sing a Shabad and send your video.
- Make a beautiful greeting card to wish Guru Purab.

### Class 4 to 5

- You can sing any Shabad and explain its meaning also.

- Make a beautiful greeting card to wish Guru Purab to your friends.

### Class 6 to 8

- Write beautifully the main preachings of Guru Nanak Dev.

- Say few lines on Kartik Mahatmay and Ganga Snan .

happiness and a clean slate. It is the opportunity to learn from the prior year and make positive changes in their life. This year we had experienced many challenges and our lifestyle has changed a lot. Still we are trying to learn new ways to cope up with our fight against covid. Art and library department thought of few activities to say goodbye to this year, welcoming the new year:

- 1) Make a poster on post corona effects on our life style.
- 2) Make a greeting card to wish new year.
- 3) Make a list of resolution on a A- 4 size sheet and decorate it
- 4) Share your memorable experiences of this year and your expectations from the upcoming year.

Students participated in these activities enthusiastically and their responses are shared below.

## **PARVASI BHARTIYA DIVAS (NRI DAY) :- 9/01/2021**

Parvasi Bhartiya Divas is observed on 9 January to increase the engagement of the overrseas Indian Community with the Government of India and also focus on reconnecting them with their roots. This day has its significance as it is the day when Mahatma Gandhi returned from South Africa in 1915 and became the greatest pravasi who led India,'s Freedom struggle and made India free from British or colonial rule. He not only changed the lives of Indians but also created an example that if a person's dreams and desries are clear he orshe can achieve anything. As a Non Resident Indian or pravasi, he is presented as a symbol of a change and development that could bring into India.

## **NEW YEAR CELEBRATION :-**

## GLORIOUS MOMENT FOR MSMS

"A little progress each day adds up to big results".

Zenik Olympiad, an International Olympiad of Value System, Health & Wellness is world's first Olympiad of its kind, which was conducted online for students of **Grades III to X on 28th November, 2020.**

It's a matter of pride to share that 15 students (Classes III to X) from MSMS, handpicked by teachers after a rigorous selection process, were entitled with an opportunity to be the value ambassadors to participate in the Olympiad. The participants were provided with e-guides and were trained through online zoom sessions by the experts. More than one thousand schools participated in the Olympiad from India and elsewhere.

Touching the zenith of pride, once again and bringing accolades to our school, 15 vibrant young minds from MSMS stood out and secured excellent score, competing against some of the brilliant minds near and far.

**"The harder you work for something, the greater you'll feel when you achieve it."**

It gives us an immense pleasure to share the school toppers from three different groups as listed below :

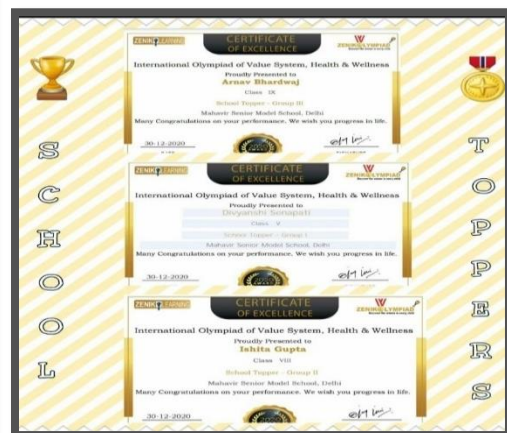

Group 1 : Divyanshi Senapati (Class V)

Group 2 : Ishita Gupta (Class VIII)

Group 3 : Arnav Bhardwaj (Class IX)

The proud achievers will be awarded with awards, medals and certificates.

We congratulate all the winners for their stellar performance and helping the flag of MSMS fly high in the sky of success. Our young Mahavirians once again proved that **"Success requires hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do.**

*We hope you all enjoyed the glimpses of the fruitful indulgence of our shining Mahavirians.*

*The journey has just begun*

*Searching for the way ....*

*Walking through the shiny SUN.....*

*It's a bright new day .*

*Thanks*
